

Go Online Adding A YouTube Video to Course Content

Adding A YouTube Video to Content

The Mashups tool in Blackboard allows instructors to link a YouTube video directly to their Blackboard class. The instructions below will demonstrate how to add a YouTube video to your course site.

Adding a YouTube Video

Build Content \lor		Partner Content 🧹
Create	New Page	
Item	Content Folder	
File	Module Page	
Link to NOOK Study	Blank Page	
Audio	Mashups	
Image	Flickr Photo	
Video	SlideShare Presentation	
Web Link	YouTube Video	- 2
Learning Module	Blackboard Open Content	\bigcirc
Lesson Plan		
Syllabus		
Course Link		

Log into Blackboard and access the content area in which you would like to add a YouTube video to. Please refer to the guide titled <u>Creating a Content Area</u> for more information on how to create a content area. To upload your document:

- 1. Click on **Build Content** at the top of the page.
- 2. Choose YouTube Video from the menu under Mashups.

Search for a YouTube Video

You will now see a screen labeled **Search for a YouTube Video**. To search for a video, enter the title of the YouTube video you would like to add, select the search term, and click **Go** to search for the video
